Dear Director Alexander-Scott,

I wanted to let you know that we will be having the PFAS New England summit on June 25 and June 26. We are in the process of securing Exeter HS in New Hampshire which has a capacity of 1000. The event will be fully open to the media and all who desire to attend. We are waiting for further details from headquarters on an announcement that will come on June 11, but please consider this your official invitation to the event so that you can make any necessary travel.

Thank you,

Alexandra Dapolito Dunn, J.D.
